

Barry Schwartz The Paradox Of Choice

Barry Schwartz The Paradox Of

Psychologist Barry Schwartz takes aim at a central tenet of western societies: freedom of choice. In Schwartz's estimation, choice has made us not freer but more paralyzed, not happier but more dissatisfied.

Barry Schwartz: The paradox of choice | TED Talk

Barry Schwartz (born August 15, 1946) is an American psychologist. Schwartz is the Dorwin Cartwright Professor of Social Theory and Social Action at Swarthmore College. He frequently publishes editorials in The New York Times applying his research in psychology to current events. Schwartz's research addresses morality, decision-making and the inter-relationships between science and society.
