Geographies of Globalization: A Critical Introduction ...

"This book is a critical introduction to the concepts and realities surrounding what has become the leitmotif of our contemporary world. The book shows that whatever else they may be, the contemporary processes that are impacting on the world economy and which are variously represented as 'globalization' and/or 'internationalization' are fundamentally geographical processes, for they are tying ...

Geographies of Globalization: A Critical Introduction ...

Abstract In Multitude, Hardt and Negri explain imperialism, in the context of Empire, as part of the globalization of war as biopower. They note that the police function and the war function are increasingly indistinguishable in the context of Empire, and then proceed to analyze the biopoliticization of the war function.

Biopower and the Militarization of the Police Function ...

'Geographies of Globalization is written in a very clear, accessible and concise manner and is a book that offers students something of a route-map through the uncertainty, confusion and misunderstandings that surround this now widely debated phenomenon.'
