Don Quixote's friends and family find very little support from other people when they want him to come home and rest, hoping to cure him of his delusions. As the character Don Moreno states, to cure Don Quixote of his insanity is to deprive the world, for he is more amusing as a madman than a sane one.

Don Quixote may be a god book, but this book here -- at least the ePub download -- is a long long long piece on how the author has translated the original. WHERE THE HECK is the book itself? I'm on page 50 of 192 pages and the book hasn't even started. This is NOT the Don Quixote by Cervantes. It's about the "Writing of" that book.
