Female Dc Comic Characters

List of the best female comic book characters, be they superhero or villain. These are the women characters comic book enthusiasts continue to adore for a range of reasons. The list includes great women in comics from any period, from classic characters (such as Wonder Woman) to characters who were introduced in the 21st century.

The Best Female Comic Book Characters, Ranked

In 1966, Marvel Comics introduced the Black Panther, an African monarch who became the first non-caricatured black superhero. The first African-American superhero, the Falcon, followed in 1969, and three years later, Luke Cage, a self-styled "hero-for-hire", became the first black superhero to star in his own series. In 1989, the Monica Rambeau incarnation of Captain Marvel was the first female ...

Women - and female superheroes in particular - haven't always been treated well in the world of comics. For every genuinely strong, well-rounded character, it seems like three vacuous, self-obsessed damsels-in-distress pop up and ruin any sort of progress.

The First Female Comic Book Superheroes In History ...

American comic book publishing company DC Comics has introduced many characters throughout its history, including numerous minor characters. These characters range from supporting characters, heroes and villains that appear infrequently to characters that only take part in a single story.

List of minor DC Comics characters - Wikipedia

In the very fictitious yet mirrored world of comic books, female characters are often seen as unequal. Fictional women, including the most notorious of superheroines or supervillains, are often molded to fit societal expectations of what boys and men would like to look at or read at the time.

I provide advice about how to write novels, comic books and graphic novels. Most of my content applies to fiction-writing in general, but I also provide articles specifically about superhero stories.. Caveat: Both companies have thousands of characters, so obviously there will be exceptions to every generalization.

It seems like every time there's a little bit of upheaval in the Marvel Universe, She-Hulk gets caught in the crossfire. Whether we're talking "Avengers Disassembled" or the more recent "Civil War II," it seems like She-Hulk must pay a price. Jennifer Walters was created in 1980 by the legendary Stan Lee and John Buscema, debuting in the eponymous series "Savage She-Hulk."
