About this site. The Food Timeline was created and maintained solely by Lynne Olver (1958-2015, her obituary), reference librarian with a passion for food history. About it she originally said " Information is checked against standard reference tools for accuracy.

Food Timeline: food history research service

Food science is the science of nature devoted to the study of food; it is often confused with "food technology". The Institute of Food Technologists defines food science as "the discipline in which the engineering, biological, and physical sciences are used to study the nature of foods, the causes of deterioration, the principles underlying food processing, and the improvement of foods for the ...

Food science - Wikipedia

Culinary tourism or food tourism is the exploration of food as the purpose of tourism. It is now considered a vital component of the tourism experience. Dining out is common among tourists and "food is believed to rank alongside climate, accommodation, and scenery" in importance to tourists.

Culinary tourism - Wikipedia

With robust mix of culinary cultures, Mauritian food is both familiar and exotic Influenced by French, Dutch, English and Indian cuisines and spiked with robust African flavours.

Mauritian food: With robust mix of culinary cultures ...

Good Cheap eats. For cheap eats the axis that runs along the south side of Leicester Square (Irving St and Pantom Street) is a magnet: old faithfuls like the Stockpot & the West End Kitchen serve cheap and cheerful food, very similar to what a stereotypical English family would eat at home (Lancashire Hotpot, Shepherd's Pie, Fish and Chips etc) and the competition between these neighbours ...
