If you're looking to design a truly functional kitchen, there are a few rules Martha would suggest you follow. At the top of her list: Use every inch of space available to you. Our founder would be quick to tell you that using shelving in place of upper cabinets can help make the room feel lighter and airier. "I use everything in my kitchen regularly, and shelves make it all accessible," Martha ...

Health Benefits: As one of the richest natural sources of linoleic acid, Grapeseed oil can do wonders when it comes to fighting heart disease and bad cholesterol. Linoleic acid is a member of the polyunsaturated fatty acid family. These fatty acids tend to blend with cholesterol in the blood and transform it into something the body knows how to get rid of.
