Growing up, Sloppy Joes made with Manwich were one of my favorite meals! I loved that you could mix things up a bit by adding different flavors of chips to the sandwich, and eating it all together! As I've grown up, testing different flavors of chips on my sandwiches has become a bit less desirable than it once was.

As a half-Japanese kid in the '80s, I grew up eating instant ramen at least once a week, and it still holds a special place in my gut. That said, my tastes have changed and expanded considerably over the years, and sometimes that little flavoring packet just isn't enough. As such, I've spent a lot of time devising ways to upgrade my ramen in cheap, easy ways.
