EMI replaced its Incident Command System (ICS) curricula with courses that meet the requirements specified in the National Incident Management System (NIMS). EMI developed the new courses collaboratively with the National Wildfire Coordinating Group (NWCG), the United States Fire Administration and the United States Department of Agriculture.

**National Incident Management System (NIMS) - FEMA**

This course provides an overview of the National Incident Management System (NIMS). The National Incident Management System defines the comprehensive approach guiding the whole community - all levels of government, nongovernmental organizations (NGO), and the private sector - to work together seamlessly to prevent, protect against, mitigate, respond to, and recover from the effects of incidents.
