A little black dress (LBD) is a black evening or cocktail dress, cut simply and often quite short. Fashion historians ascribe the origins of the little black dress to the 1920s designs of Coco Chanel and Jean Patou intended to be long-lasting, versatile, affordable, accessible to the widest market possible and in a neutral colour. Its ubiquity is such that it is often simply referred to as the ...

Everybody's got their LBD — the go-to dress that's always hanging in the closet, ready to be thrown on for a last minute affair, or the perfect solution to but I have nothing to wear! But what about a transitional piece that's more "spring" than "fall," and more unique than basic? Enter the LWD (or Little White Dress).

I used to have a packing list similar to this that doesn't even get out of my bag anymore. But lately, the past couple of years, I've been doing a lot more traveling with my little one, so I've had to upgrade our pack from a 40-liter carry on to a 60-liter pack and then have a totally different set for my own travels with friends and work.

Uniform Project was born in May 2009, when one girl pledged to wear a Little Black Dress for 365 days as an exercise in sustainable fashion. Designed to also be a fundraiser for the education of underprivileged children in India, the project acquired millions of visitors worldwide and raised over \$100k for the cause.

Love!! I ordered a medium and a large because I have a bigger booty and wasn't sure if it was going to give at all. The medium was perfect, the straps are adjustable so it can be tightened up top and it's such a comfy material that has a bit of give so it hits all my curves in all the right places.
