A research-based teacher evaluation model which identifies the direct cause-and-effect relationship between teaching practices and student achievement now works in alignment with a companion leadership evaluation model to facilitate a system-wide common language of instruction. . Both models help teachers and leaders make the most informed decisions that yield the greatest benefits for their ...

Alaska Teacher Placement: Teaching in Alaska

The economy has taken a downward turn leaving job opportunities scarce for many; however, there will always be a need for teachers. In fact, that need is only increasing with the high attrition rates and number of senior teachers entering retirement and that being said, we as educators have choices. Because many of our days, and often our nights, are spent at our job it is important to find ...
