The Colonial and Early National Period (17th century to 1830) The first European settlers of North America wrote about their experiences starting in the 1600s. This was the earliest American literature: practical, straightforward, often derivative of literature in Great Britain, and focused on the future.

Periods of American Literature | Britannica.com

American literature occasionally attempts to show love within humanity, but even when it does, the concentration is not romance at all, but perhaps lust and desire. The love is not what is at attention, but instead the author describes a criticizing relationship with self, church, state, or the supernatural.

The Study of Literature I finally understand the study of literature. As an English major, a reader/ writer/ poet who has spent a great deal of time reading the works of others and writing about them, I am reminded of something I have heard my father, a teacher, say repeatedly about the modern American attitude toward education.
