

*Neutrality And The Academic Ethic By Robert L Simon*

### **Neutrality And The Academic Ethic**

Robert Simon's Neutrality and the Academic Ethic shows that those who make this claim fail to distinguish between several conceptions of neutrality and that, properly understood, neutrality is both possible and desirable. His defense of 'institutional critical neutrality' is extraordinarily clear and eminently sensible.

### **Neutrality and the Academic Ethic : Robert L. Simon ...**

In Neutrality and the Academic Ethic, distinguished philosopher Robert L. Simon explores the claim that universities can and should be politically neutral. He examines conceptual questions about the meaning of neutrality, distinguishes different conceptions of what neutrality involves, and considers in what sense, if any, institutional neutrality is both possible and desirable.

Section 3 is dedicated to the analysis of the relationship between Internet neutrality and the ethical principle of fairness. Section 4 introduces Floridi's Information Ethics, the definition of Information Diversity and an analysis of how they can be used to address the limitations of Internet neutrality.

**Internet Neutrality: Ethical Issues in the Internet ...**

One of those concepts is the way neutrality in accounting is considered. In this paper, it would be seen what neutrality in accounting actually means, what sort of value it adds to the accounting analysis and is it the best way to make sure that the ethicality and better decision making in accounting is witnessed (Adhariani et al. 2017, p.44).
