Nicolas Flamel was a real person. I read about him in my early twenties when I came across one of the versions of his life story. It told how he had bought a mysterious book called The Book of Abraham the Jew, which was full of strange symbols and which Flamel realised were instructions on alchemy. The story went that he subsequently made it his life's work to produce the Philosopher's Stone.

Talk:Nicolas Flamel Jump to ... I presume what is intended is not a "merge with the Harry Potter character" but with the article on Nicolas Flamel's (historical) wife. Since she was a serious alchemist in her own right and may have been as important as her husband in their discoveries, I think to subsume her under the piece on her husband ...
