Most of the organisations I work with have clearly defined groups whose needs they are intended to  
serve. Increasingly these days there is a desire reach out online to foster a real connection with  
those people, but most staff in most organisations find it ridiculously difficult to do so.

Strategic management involves the formulation and implementation of the major goals and  
initiatives taken by a company's top management on behalf of owners, based on consideration of  
resources and an assessment of the internal and external environments in which the organization  
competes. Strategy is defined as "the determination of the basic long-term goals of an enterprise,  
and the adoption ...

Try being on the parent's end and realizing at Kindergarten orientation day that your child may not  
know everything they need to know for kindergarten because you had no idea what they did need  
to know and you heard that preschool doesn't prepare them for kindergarten.

1. Introduction. Innovation is an integral part of the major transformation in modern business (e.g., Brynjolfsson & McAfee, 2014; Salonen, 2011; Schwab, 2017). This is echoed by Orlikowski & Scott (2008, p. 447) who argue that Western societies are on the verge of a transformation on a similar scale to the industrial revolution. Research into innovative processes is therefore increasingly ...
