The University of Oxford is a collegiate research university in Oxford, England. There is evidence of teaching as early as 1096, making it the oldest university in the English-speaking world and the world's second-oldest university in continuous operation. It grew rapidly from 1167 when Henry II banned English students from attending the University of Paris.

The history of the Shroud of Turin can be best studied by dividing it into two specific categories. The general consensus of even the most doubting researchers is to accept a "1350" date as the beginning of the "undisputed" or documented history of the Shroud of Turin. This also happens to coincide with the approximate date determined by the 1988 carbon dating of the cloth.

In ancien régime France, almost all posts of public responsibility had to be bought or inherited. Rather than tax their richer subjects directly, French kings preferred to sell them privileged public offices, which further payments allowed them to sell or bequeath at will. By the eighteenth century, there were 70,000 venal offices, comprising the entire judiciary, most of the legal profession ...
