Recent medical studies have shown that the fetus most certainly does feel pain by the end the second trimester, when late-term and partial birth abortions are performed. Since most of these procedures do not use anesthesia for the fetus, it likely feels pain during the procedure as limbs may be pulled off and scissors are used to puncture the base of its skull.

Abortion is one of the most emotional and divisive moral issues of twenty-first-century American life. Consensus has not been reached on the numerous questions that swirl around the subject, including whether or not a woman has the right to choose a legal abortion, and under what conditions; the role of parents if she is not legally an adult; and the roles of the state and religion

Having reformed from his violent ways, Bigby (aka the Big Bad Wolf) became the cigarette-smoking, trench coat-clad sheriff of Fabletown. He is extremely cunning and resourceful, in addition to being an excellent detective. He is the son of the North Wind, and, as such, has some control over the lower-tier winds, plus the "huff and puff" of legend.
