Host your SharePoint sites cost effectively. Pay-as-you-go pricing and per-minute billing from Azure helps you save money. For development and testing, take advantage of Azure benefits for Visual Studio subscribers to reduce software licensing costs. When testing, spin up additional servers as needed for scale and load testing over short periods of time and remove them when you're finished.

SharePoint on Azure | Microsoft Azure

Launched in 2001 as a web-based collaborative tool, Microsoft SharePoint is used by over 400,000 customers in 250,000 organizations worldwide, including 85% of Fortune 500 companies.
