Biography. Trim was born in 1799 aboard the ship HMS Reliance on a voyage from the Cape of Good Hope to Botany Bay. The kitten fell overboard, but managed to swim back to the vessel and climb aboard by scaling a rope; taking note of his strong survival instinct and intelligence, Flinders and the crew made him their favourite.

I do not know a corresponding logical demonstration for seals, but I can testify from helping to eat thousands that their meat is never tough - at least not in comparison with the beefsteaks you sometimes get in New York chophouses. Then there are Eskimos who live practically exclusively on fish. As said, you can't chew them when they are raw; there is not much chewing when they are eaten ...

Editorial Reviews. Gr 3-5-- It goes without saying that, in the process of condensing and rewriting these books down to a fourth-grade reading level, most of the distinguished aspects of the works--writing style, language, atmosphere, characterization--have been sacrificed for a simple, not to say simplistic, master-plots approach that conveys the incidents but fails to impart the ...
